EQUILIBRIUM/ Harmony

Luxury kitchen with island accessorized with cellar, large snack floor and modular walls

With her Made In Italy, architect Carla Baratelli signs a prestigious two-floors private house in Florida, with a pool directly facing a river. The project is characterized by an exclusive design and high-quality details. Materials and pieces of furniture have been combined so to achieve perfect equilibrium and harmony.

High attention is focused, as always, on the research about comfort and personal wellness, having in the house a private SPA with sauna, hammam and a gym. Mosaic plays the main role with its reflecting facetings and its colored games, both used in artistic or geometrical decorations.

The pool, mosaic finished too, is located on the rear side of the house, next to the Darsena.

Elegance, brightness and uniqueness are the key-words to describe this exclusive residence.

Con su estilo Made in Italy, la arquitecta Carla Baratelli firma un prestigioso chalet privado de dos plantas en Florida, con una piscina que da directamente al río.

Diseño exclusivo y detalles de calidad caracterizan el proyecto al tiempo que la elección de materiales y decoraciones dan lugar a un resultado equilibrado y armónico.

Se dedica una gran atención, como siempre, al confort y la búsqueda del bienestar personal, de hecho, el chalet incluye un spa privado con sauna, baño turco y gimnasio. El mosaico es protagonista, con sus facetas reflectantes y sus juegos de color empleados en ornamentos artísticos o geométricos. La piscina, también revestida de mosaico, está situada en la parte posterior de la casa, junto a la dársena.

Elegancia, luminosidad y unicidad son las palabras clave para describir esta prestigiosa residencia.

The exterior is enhanced by a floor flush pool and a warm and subdued lighting

EN 1987 CARLA BARATELLI TRABAJABA A TRAVÉS DE STUDIO ASIA, HASTA QUE EN 1995 LANZÓ ASIADDESIGN, UNA NUEVA EMPRESA QUE OFRECE DISEÑO, PRODUCTOS Y DIRECCIÓN ARTÍSTICA A EMPRESAS LÍDER DE LA INDUSTRIA DEL DISEÑO.
